LUBBOCK – South Plains College Fire Technology will be accepting applications for the 2009-2010 Basic Fire Academy class from May 11 through June 5.

The academy is designed for people who are interested in becoming a Texas state-certified firefighter.

Application packets can be picked up at the front desk or Office 151 at the Byron Martin Advanced Technology Center, 3201 Ave. Q. The deadline for returning packets is 4 p.m. on June 5. Packets submitted after the deadline will not be considered.

The academy starts Aug. 31 and goes through the fall and spring semesters. Classes meet from 6 to 10 p.m. Monday through Thursday, and every other Saturday from 8 a.m. to 5 p.m. for both semesters. After the completion of the academy and additional medical training, students will be eligible to test for state firefighter certification.
