South Plains College Policies:

Attendance Policy:

As per the SPC General Catalog:

Students are expected to attend all classes to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first-class meeting.

Students who enroll in a course but have never attended by the official census date, as reported by the faculty member, will be administratively dropped by the Admissions and Records Office. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester may be administratively withdrawn from that course and receive a grade of "X" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.

It is the student's responsibility to verify administrative drops for excessive absences through Texan Connect. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate, and the student will owe any balance resulting from the adjustment.

See instructor's course information sheet for additions to the attendance policy.

Academic Integrity:

As per the SPC General Catalog:

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Cheating: Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in an office are examples of cheating.

Complete honesty is required of the student in the presentation of any and all phases of course work. This applies to quizzes of whatever length, as well as to final examinations, to daily

reports and to term papers.

Plagiarism: Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from the themes, reports or other writings of fellow student, is guilty of plagiarism.

More on Plagiarism and Cheating: Students are expected to do their own work on all projects, quizzes, assignments, examinations, and papers. Failure to comply with this policy will result in an F for the assignment and can result in an F for the course if circumstances warrant.

Plagiarism violations include, but are not limited to, the following:

1. Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail order term paper mill;
2. Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation; Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them; or
3. Missing in-text citations.

Cheating violations include, but are not limited to, the following:

1. Obtaining an examination by stealing or collusion;
2. Discovering the content of an examination before it is given;
3. Using an unauthorized source of information (notes, textbook, text messaging, internet, apps) during an examination, quiz, or homework assignment;
4. Entering an office or building to obtain unfair advantage;
5. Taking an examination for another;
6. Altering grade records;
7. Copying another's work during an examination or on a homework assignment;
8. Rewriting another student's work in Peer Editing so that the writing is no longer the original student's;
9. Taking pictures of a test, test answers, or someone else's paper.

Student Code of Conduct Policy:

As per the *SPC General Catalog*:

Rules and regulations relating to the students at South Plains College are made with the view of protecting the best interests of the individual, the general welfare of the entire student body and the educational objectives of the college. As in any segment of society, a college community must be guided by standards that are stringent enough to prevent disorder, yet moderate enough to provide an atmosphere conducive to intellectual and personal development.

A high standard of conduct is expected of all students. When a student enrolls at South Plains College, it is assumed that the student accepts the obligations of performance and behavior imposed by the college relevant to its lawful missions, processes and functions. Obedience to the law, respect for properly constituted authority, personal honor, integrity and common sense guide the actions of each member of the college community both in and out of the classroom.

Students are subject to federal, state and local laws, as well as South Plains College rules and regulations. A student is not entitled to greater immunities or privileges before the law than those enjoyed by other citizens. Students are subject to such reasonable disciplinary action as the administration of the college may consider appropriate, including suspension and expulsion in appropriate cases for breach of federal, state or local laws, or college rules and regulations. This principle extends to conduct off-campus which is likely to have adverse effects on the college or on the educational process which identifies the offender as an unfit associate for fellow students.

Any student who fails to perform according to expected standards may be asked to withdraw.

Rules and regulations regarding student conduct appear in the current Student Guide.

Academic Integrity:

In addition to the policy in the Common Course Syllabus, it should be understood that students found guilty of cheating or plagiarism will earn a zero on the work in question for the first offense and will be dropped from the course with an 'F' should a second offense occur. Any amount of dishonesty is subject to these consequences, whether a lot or a little; this can include but is not limited to one copied sentence of a written assignment, a missing citation, an entire paper copied from someone/somewhere else, one plagiarized post on a discussion board, one copied exam item, looking at the scantron of another student during an exam or an exam or other coursework completed by someone other than yourself. You have also committed academic dishonesty when sharing course content/items/answers. This includes sharing course content with classmates or future students as well as sharing course content on websites such as Quizlet, Course Hero, or similar "study applications." For further information and examples please see the Catalog, Student Guide, or refer to www.plagiarism.org.

Guidelines for Classroom Behavior:

The following is in addition to the Common Course Syllabus:

I would like to welcome all students into an environment that creates a sense of community, pride, courtesy and respect; we are all here to work cooperatively and to learn together. Disruptive behavior is not tolerated.

***To further classify: Disruptive behavior includes but is not limited to being rude to an instructor or other students, walking out of class before class ends, using an electronic device, making "side comments" to other students, or any other non-adult behavior as defined by the instructor.** For additional information on student misconduct, refer to the *Student Guide*. Failure to abide by policies may result in expulsion from the class and an "X" or "F" for the semester.

If you are experiencing any of the following symptoms, please do not attend class and either seek medical attention or get tested for COVID-19.

- Cough, shortness of breath, difficulty breathing

Content Warning:

Students are advised that difficult or sensitive issues may be represented or discussed in this class. While care will always be taken not to cause distress and to create a welcoming learning environment for everyone, there may be occasions where you will confront images or texts, or where you hear discussions that are uncomfortable for you. I will not issue trigger warnings with respect to potentially challenging or distressing content, for several reasons. I do not presume in advance to know what content or discussions may cause you distress; trauma is a deeply complex and personal experience. Instead, I will provide context for materials that feature content generally found to be challenging and make it clear why I am showing particular images or we are reading particular texts. If you ever feel unable to continue to participate in a particular class, you may leave at any point and will not be challenged. I will follow up to address any concerns and provide additional resources for support. You are also, of course, welcome to share any concerns about the course content you may have at any time during the term, and I promise to listen openly and respectfully.

Basic Needs Statement:

Other factors may also affect your ability to thrive in this class. In particular, students who have difficulty affording groceries or accessing sufficient food to eat every day or who lack a safe and stable place to live may find that their situation affects their performance. I encourage each of you to contact the Dean of Students or the Health and Wellness Office for support. You may also notify me, if you feel comfortable doing so, and I will

do my best to help you identify resources, or simply walk with you to the campus offices that have resources set aside and additional information for all students.

Overview of Assignments:

10 Chapter Quizzes:

There are ten twenty-question multiple choice and true/false quizzes. The chapter quizzes are 30-minute timed quizzes and will close at the deadline. Do not click on the link until you are ready to take the test. Practice quizzes and flashcards are available to use as study tools and are taken from the same test bank as the chapter quizzes. If you fail to submit 5 quizzes you may be dropped from the course.

4 Crime Journal Assignments:

You will have a Semester Long Crime Journal Project assignment. It is detailed in a separate handout available on Blackboard in the Course Resources section and in each weekly module when a submission will be due. This handout is currently available and will remain so for the entire semester.

Crime Analysis Research Project:

You will complete one research paper for this course. Details regarding this will be provided in Blackboard within the Course Resources section and in the weekly folder for when the submission is due.

Exams:

- There will be four (4) exams. To avoid scheduling problems, the following exam dates are "set in stone," therefore do not schedule conflicts. ***If there is a conflict with a religious holiday, you must let me know by September 13, 2023 or you will be expected to complete the exam on the scheduled date.***
- All exams will be delivered **via Blackboard**, and you will have one attempt to complete the exam. If you miss an exam, a grade of "0" will be recorded for that exam grade and you may take a make-up comprehensive exam at the end of the semester.

Break down of points for the course:

4 Exams @ 100 each =	400 points
4 Crime Journals @ 25 each =	100 points
10 Chapter Quizzes @ 20 each =	200 points
<u>Crime Analysis Paper =</u>	<u>100 points</u>
Total =	800 points

All grades will be posted on Blackboard under the My Grades link.

Feedback: I will reply to all messages or emails within 24 hours during the week; 48 hours on the weekend. I will grade your Journals and Research project within two weeks. Quizzes and Exams will be graded within two weeks or automatically.

Total Possible Points 800 points. In addition, grades are NOT automatically rounded up.

Grading scale: A = 720 – 800; B = 640 – 719.99; C = 560 – 639.99; D = 480 – 559.99; F = 0 – 479.99.

This scale is the typical: A = 90%-100%; B=80%-89.99%; C=70%-79.99%; D=60%-69.99%; and F=0%-59.99%.

If you have any questions about any of the course work or anything about the course material do not hesitate to speak to me during office hours, before/during/after class, or via e-mail or Blackboard messaging.

Study materials are provided under each module link on your Blackboard menu panel. Study tools include Power Points, Course Outlines and Materials, and Practice Quizzes to help students study the materials for the course and prepare for exams. The practice questions come from the same test bank as some of the questions that will be on your exam. You may take each quiz as many times as you want, and they are not timed. The grades you earn on the Practice Quizzes are not counted in your total points earned, so they do not raise or lower your grade for the course. However, taking the Practice Quizzes may help your exam grades.

Drop Policy:

In addition to the catalog policy of the General Catalog, a record of attendance will be maintained. ***It may be considered that a student may be dropped from the course with an X if they miss a minimum of 2 weeks of class/BB assignments with no communication and/or is earning an F. If absences occur after the final drop date you will not be dropped and will receive the grade you have earned.*** Attendance will be taken every class period beginning the first day of class and will be used to document attendance.

Extra credit opportunities will be made available during the semester. I recommend that you take advantage of those opportunities as they become available as I will not make extra credit available on individual request.

Remember that the official deadlines are when the work is due, but I recommend that you set your personal deadlines for when you do your work a couple of days before the official due date.

Note: The instructor reserves the right to modify the course syllabus and policies, as well as notify students of any changes, at any point during the semester.
