In order to process scholarship applications, a Social Security Number (SSN) or SPC-issued Student Identification Number (SID) is required as authorized by the college's Student Identification Number Policy and as allowed by state and federal law. The applicant's SSN/SID is necessary for application processing and tracking purposes, for the disbursement of awarded scholarships into the appropriate student account, and the reporting of scholarship awards as required by the Internal Revenue Service Code and Regulations. SSN/SID records are maintained in the Scholarship Office in secure paper and electronic forms. Scholarship applications are considered confidential records and are not subject to third-party review. Failure to provide the SSN/SID will delay the processing of the scholarship application and could result in forfeiture of consideration for scholarship awards.
