Exams (60%)

There are three exams, and your exam average comprises 60% of your overall grade.

Furthermore, all three exams will consist of multiple-choice and short answer questions. For the first two exams, there is a late penalty if you miss class on exam day for an unexcused reason. If you miss Exam 3 (final exam), you will receive a zero. Finally, you are not allowed to take any exam early.

Participation (20%)

Active participation is crucial to your success in this class and, more broadly, to the success of any learning experience. There will be numerous opportunities throughout the semester to participate by engaging in class discussions and completing participation assignments. Moreover,

I expect you to show up to class on time and be ready to participate. At the end of the semester, you will receive a participation grade based on the quality of your participation (e.g., participating in discussions, completing in-class assignments, attending class, and adhering to classroom decorum).

I will track your attendance, and you will get a low participation grade if you do not regularly attend class. Furthermore, I reserve the right to deduct points from your participation grade for excessive unexcused absences, violations of classroom decorum (e.g., tardiness, cell phone use, wearing earbuds, rude other students or the instructor). If you have questions about your participation grade throughout the semester, you are welcome to ask me for feedback on how you are doing.

Essay (10%)

For this assignment, you will write a persuasive essay to a fictitious newspaper editor (letter to the editor) in which you give your opinion on a current issue in Texas politics. More information on this assignment will be provided to you later in the semester.

Quizzes (10%)

I will assign at least 4 quizzes throughout the semester in Blackboard. Quiz format will vary and will be based on assigned readings.
